Extract from the Proceedings of the
25th meeting of the C.R. Board.

"In connection with the appointment given to some of the Brahmin candidates in preference to candidates belonging to backward communities some of the members observed that qualifications for some of the posts were prescribed arbitrarily by the appointing officers and that such qualifications have not been probably authorised by the Government as very necessary for the discharge of the duties of the posts concerned. It was therefore suggested that in the "A" Statement sent to the Board giving particulars of the vacancies proposed to be advertised a column may be added to give information as to whether the qualifications proposed for the vacancy are those prescribed by Government and if additional qualifications are required to note the reason."

As some of the appointments had been given to
Brahmin candidates on the ground that the candidates
of the Backward communities who had been asked to
appear before the appointing Officers had not turned
up, the members were of opinion that additional faci-
lities should be given to the candidates to appear
before the Officers concerned. It was decided that
in the Notification published by the Recruitment Board
it should be specified that the applicants for the
vacancies may appear before the appointing Officers
^{on} before the dates noted against each vacancy. If the
appointing Officers were obliged to be absent from
Head Quarters on such dates, they may leave instructio
with the Officers or ministerial heads under them to
interview the candidates or to instruct them to appear
on some other specified date.
